The Paradigm Shift in Auto Repair

The Old Way	The FlexFix Model
Pay \$100+ for a tow truck	✓ We dispatch directly to your driveway, workplace, or roadside. (Waived Towing Fees)
Sit in a dingy waiting room for hours	✓ Go about your day while we work on-site.
Opaque estimates and hidden fees	✓ Transparent \$60 flat diagnostic fee.
Inflated shop markup	✓ Fair, direct labor rates.

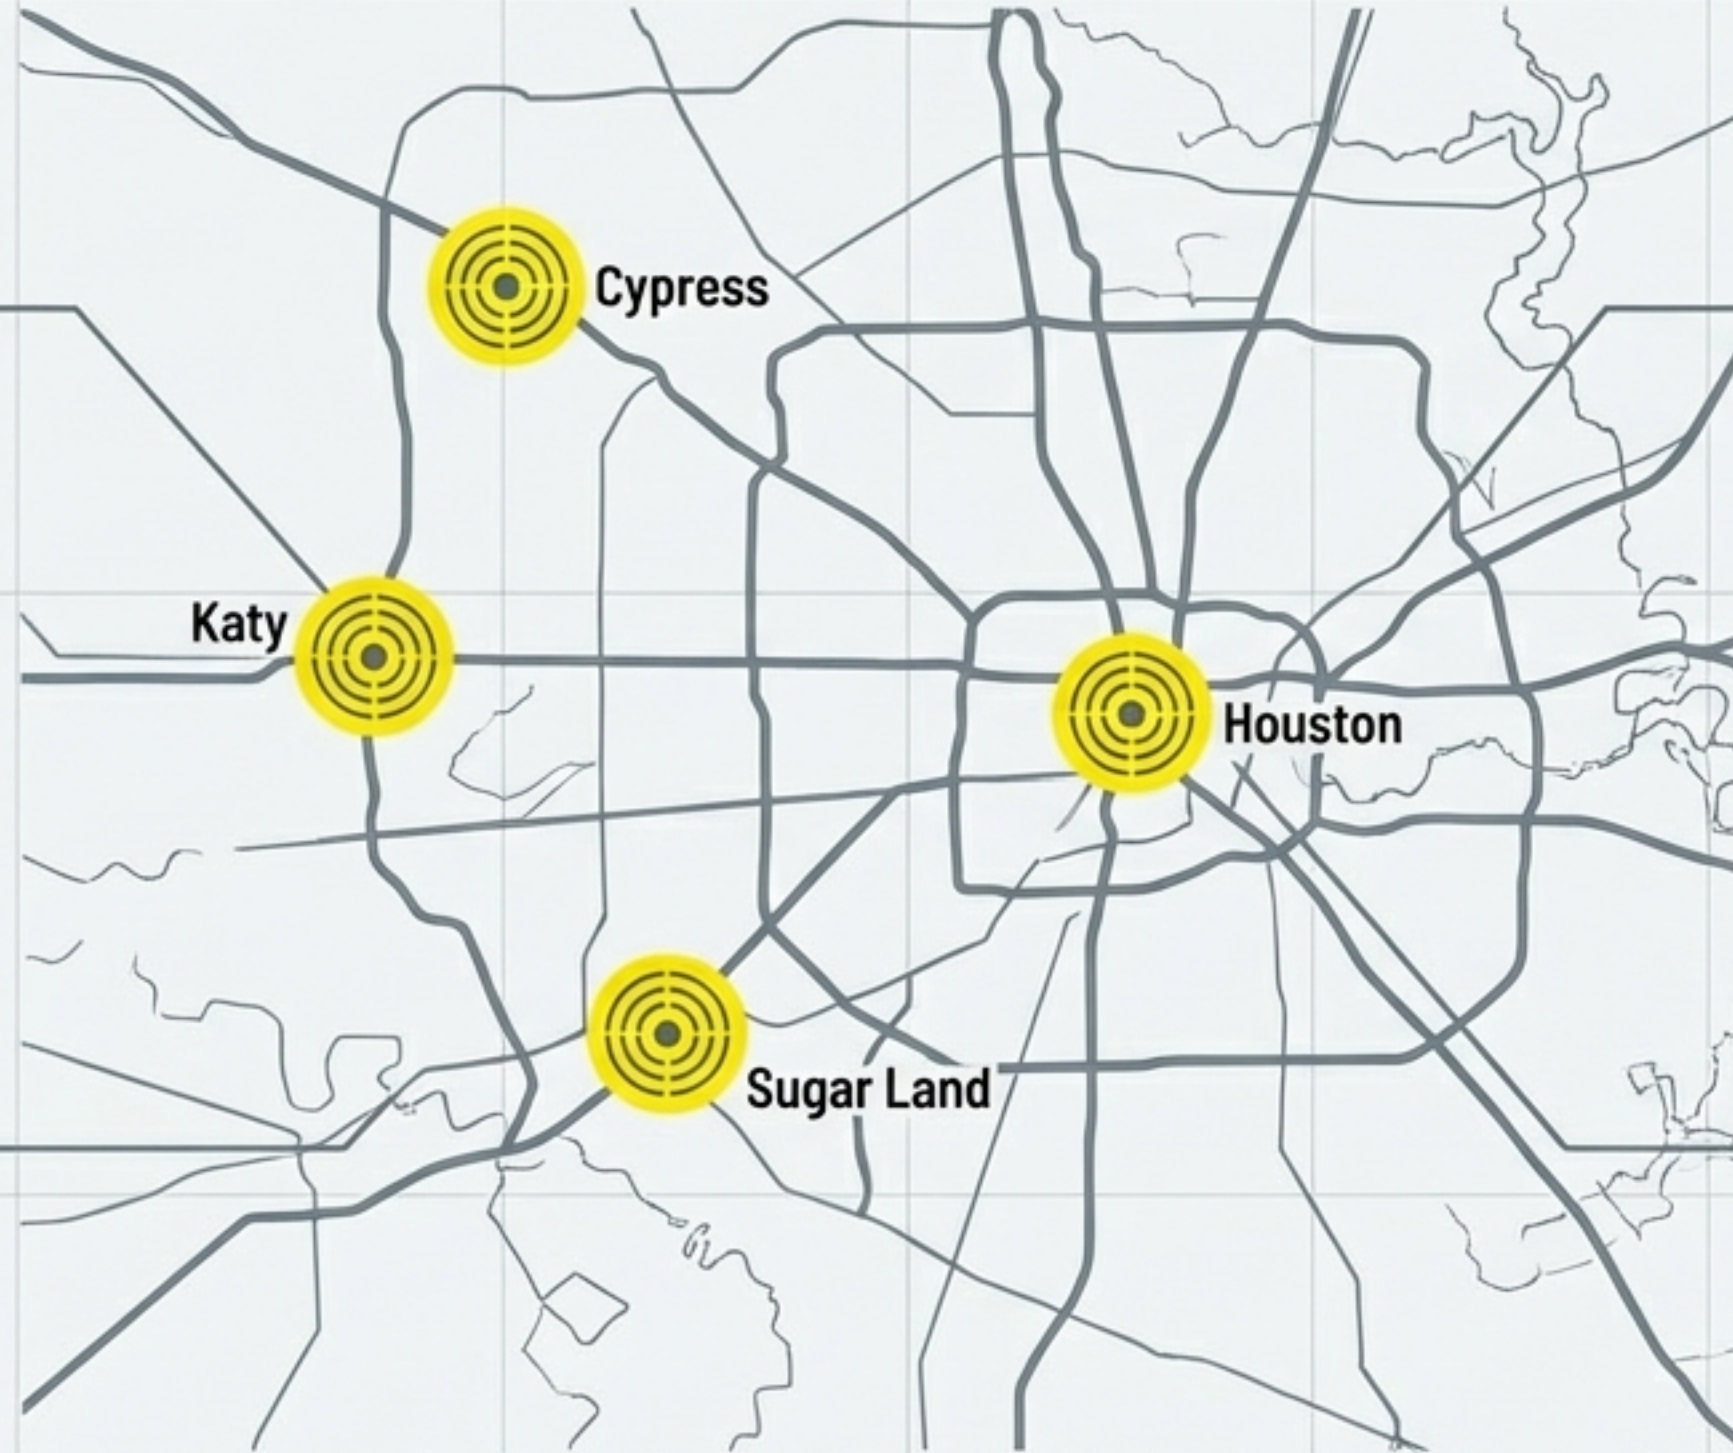

Coverage Across the Greater Houston Grid

Home Driveways
Door-to-door service
and drop-offs.

Public Meetups
Flexible scheduling at
neutral locations.

Workplace Parking Lots
Routine maintenance
while you work.

Roadside Emergencies
Emergency calls dispatched
when available.

Factory-Trained. Field-Tested.

Documented completion you can trust, combined with hands-on mobile execution.

Fundamentals**

Factory-level expertise brought directly to your driveway.

Fair Pricing. Radical Honesty.

\$60

Flat Mobile Diagnostic Fee

Fair Labor

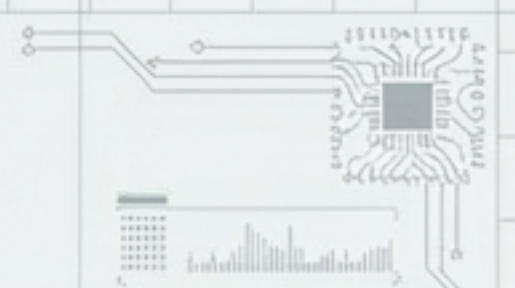

Direct rates with no shop markup

The \$190 Save

A customer bought a \$200 suspension compressor based on another shop's advice. Our diagnostic revealed the real issue: a \$110 blown fuse. We installed the fuse, charged zero labor for the analysis, and the customer returned the \$200 part.

Community Verified: 60+ Five-Star Ratings

Radical Honesty

“Super honest guy... pointed out other things that may need attention soon.” – David

“Didn’t charge me for any extra and waived the towing fee.” – Reynold

Punctual & Responsive

“Came out in the cold and rain to a parking lot I was stranded in.” – Bobby

“Reached out in the evening... had him complete the job the next day.” – David

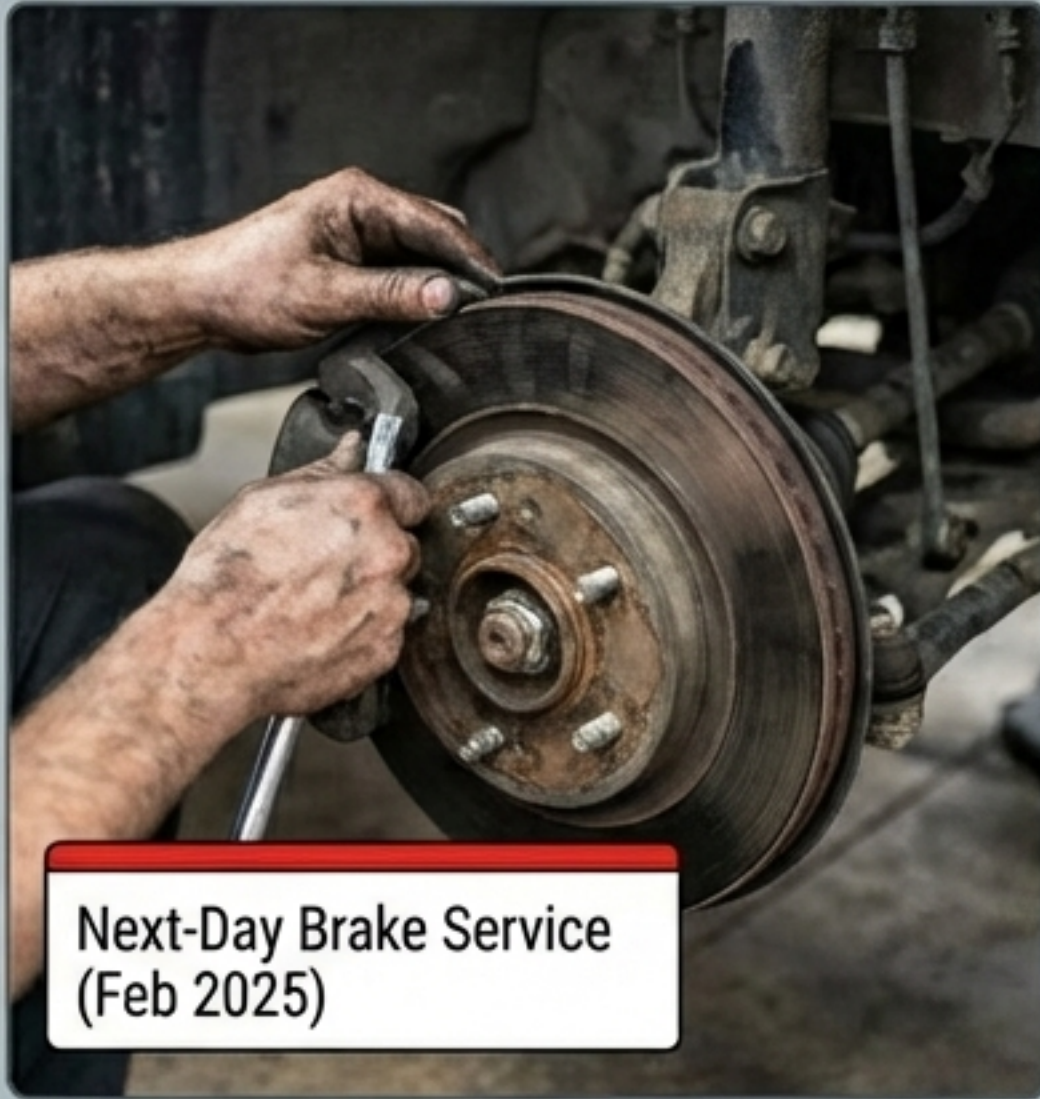

Technical Precision

“Excellent work. Explained exactly what the problem was.” – Juan

“Accurately diagnosed the problem and then fixed it. Very knowledgeable of his craft.” – Raymond

Diagnostics and Repairs on the Pavement

Real photos from actual mobile visits. No polished stock imagery—just honest, on-site mechanical work.
